Our Vision: “Promoting Western Heritage, Culture and Music in Merritt”

The Merritt Walk of Stars Society was created in 2003 by a committed group of volunteers with a desire to promote Merritt as the “Country Music Capital of Canada”.

Since that time, those volunteers have worked with the City of Merritt and other community organizations to promote tourism in our City by:

- ✦ Displaying throughout the downtown bronzed handprints and signatures of over 70 Country Music Artists
- ✦ Creating world-class murals of Country Music Artists through hiring master muralist, Michelle Loughery
- ✦ Partnering with Loughery to hire and train over 20 youth-at-risk to assist with the Mural project
- ✦ Bringing over \$2 Million of government funding to this community to make it a world-class tourist destination
- ✦ Bringing the Canadian Country Music Hall of Honour to Merritt.

The projects need your help and we want you to join this dynamic organization. Join us in our vision and “Reach for the Stars”.

Your Associate Membership provides you with:

- ✦ Regular Society Newsletters
- ✦ Invitation to the AGM
- ✦ Advance notice of upcoming events
