Merritt Spirit Square

Featuring The Colorifics

The Colorifics repertoire is infused with an exciting flare of bohemian-cabaret and originally-spun tributes to the dirty 30's, 40's jazz, and 60's surf and Beatles pop era.

The four members make use of three and four part harmony, acoustic and electric guitar, gypsy-jazz fiddle, flute, trumpet, and latin-jazz-rock percussion; giving a sizeable amount of sound layering to their songs.
